July 2008

38 Ambrose Road
~ Sold for \$650,000 ~

"Real Estate activity was stagnant in February & March. April & May came back to the usual strong spring market. Our decision to list our home for sale at the end of May presented us with a challenge. With the competition of 25 houses for sale in Bayview Village buyers do become very selective.

It was a pleasure to work with John Gerber on the sale of our home. He kept us well informed and guided us to a satisfactory sale under these competitive market conditions. We are glad to recommend his excellent services to all our friends."
