## 36 Page Avenue ~ Sold in 16 days

"We had absolutely no difficulty in making a decision on who we would entrust to represent and advise us. A preliminary meeting with John Gerber, some time ago, has convinced us that he is concerned and interested for his clients to make good choices.

John prepared an excellent comparative market analysis for us, which gave us the confidence to sell at this time. As John predicted, we sold in just two weeks. It was a pleasure to work with such a dedicated professional."
