"We are faced with many difficult tasks when it's time for dad to move into a Seniors Home. To decide on the best representation in the sale of dad's home is one important decision we had to make. To make this decision is a very simple one, when your home is in Bayview Village.

John Gerber provided us with a well prepared & meaningful Comparative Market Analysis. His professional guidance helped us to make informed decisions. It was a pleasure to work with John Gerber. He has worked diligently to sell our home. We appreciated his efforts to keep us informed about the progress of the sale. We highly recommend his services in Bayview Village."
