"When we came to sell our family home, after 53 years, we looked to an agent who had long experience and success in the Bayview Village area. John Gerber's obvious knowledge, experience and detailed analysis of the area and the market filled us with confidence. From the start, John Gerber provided us with a recommendation of how to get the house ready, without the time and cost of decorating or fancy staging, and a step by step schedule for the sale.

In the end, the timing of the sale went exactly as predicted and achieved excellent results. John made the whole process easy and comfortable for our family and I would not hesitate to use him again or to recommend him."
