“One of our neighbors has very kindly and most emphatically pointed out to us that we must call John Gerber, if we wanted our house sold in a reasonable length of time and at a realistic price.

John Gerber has, very effectively, shown us the value of our home. His excellent presentation, his knowledge of the real estate market and most of all his sincere willingness to do what is the best for us confirmed our confidence in him.

John produced the results he aimed for, in the time that he had predicted. He made it comfortable for us to review the offers and he did not hesitate to reject any unrealistic offers. Now, we can understand why John Gerber enjoys such great success in Bayview Village. We will recommend his services without hesitation.”
