"My parents have enjoyed their home since 1958. While they knew that moving into a Condo was the prudent thing to do, it required a major adjustment. We appreciate John's commitment and patience to find just the right condo to satisfy their needs.

We appreciate John's gracious accommodation to our sudden change in the timing to list our home For Sale. His schedule was quickly changed to suit our timing.

John Gerber has provided us with an excellent overview of the Bayview Village market and he kept us all well informed on the progress during the marketing. It has been a pleasure to work with John. His consideration for his clients took much of the stress out of a potentially stressful transaction."
