"I would like to take this opportunity to thank you again to help me buy a precious ravine property. Based on Your reputation in Bayview Village I was comfortable that I could trust your advice. After speaking with you, I saw very quickly why you are deserving of my trust.

I appreciate your professional and candid advice. Your comprehensive evaluation of the property and a general overview of the Bayview Village real estate market provided me with the statistics which allowed me to make informed decisions.

Also, I was very impressed with your honesty. Your explanation of Conservation Authority requirements made me aware of issues that may have deterred me to buy.

Again, thank you for taking me to the Building Department and the Architect to help me understand the by-laws to allow me make an informed decision. You have been extremely helpful to me."
