18 Tally Lane
Asking \$895,000 ~ Sold in 17 days for \$895,000

"In 1973, in what feels like a lifetime ago, John Gerber sold us our home on Tally Lane. John was extremely knowledgeable in the Bayview Village Real Estate Market and he was very giving of his time and energies.

After 37 years (a major renovation in 1993), when it came time for us to move to a retirement residence, we asked John again for his service. John helped us with excellent tradesmen to take care of some minor repairs, which we had lived with for years. John's advice on how to make our home presentable was most helpful.

John understood our need not to be involved in a protracted sales process. He advised us and acted accordingly. We appreciate John's marketing strategy and his negotiation skills. Thank you, John for helping us through two important and very emotional times in our lives."
