“John Gerber was most helpful to me in 2008 with his wise counsel about the Real Estate Market in our area. His advice to me at that time was that the Real Estate Market would probably be much stronger in a year or two. The value of my home increased over \$100,000.00 since we discussed selling it two years ago.

John Gerber handled the sale of my house with dignity and with my complete confidence. He did all the marketing in a most professional manner and I had very little to do or to worry about. John promised that he would sell my house in eight days and he kept his promise. I recommend him very highly.”
