“John Gerber came highly recommended by a neighbour who had been very pleased with the service he provided. Based on the recommendation our mother decided to retain John to assist in selling her home of 46 years. When I asked friends who are in the industry they told me John was a man of integrity and that we had made a good choice. I can’t agree more. My mother and the family were very pleased with the information John provided, his knowledgeable counsel and his professional approach. He was a pleasure to work with.”
